What is Maritime Manufacturing Meetings?

Maritime Manufacturing Meetings is a **supply chain** event for the Naval Industry, Tier 1&2 suppliers and contract manufacturers to connect through a **matchmaking program**. This business convention will help save time and increase **their business opportunities by easily meeting the right contacts**.

Maritime Manufacturing Meetings aims to:

- Offer outstanding **networking opportunities** to manufacturers, Tier 1&2 suppliers, subcontractors, service providers and clusters.
- Help OEMs and Tier 1 & 2 suppliers **to develop their supply chain**.
- Build a bridge between foreign and French companies for future **partnership and collaboration**.
- Provide **opportunities to French and foreign suppliers to develop business** with OEMs and international companies
